SPECIFIC— Question of Wittingness of PBCHORD Employee

REFERENCE: DIR 10576

ACTION REQUIRED: Please advise if Identity A is witting.

When we instructed ☐ that Identity B could be made witting in accordance with the advice contained in DIR-10576, ☐ asked whether Identity B's supervisor (Identity A) was witting and whether he had been signed to a secrecy agreement. We checked our files but were unable to find any formal and official record of Identity A's status. PBCHORD files were also lacking this information. Could you please advise us? Incidentally, ☐ is visiting Identity A's installation this week on another matter and plans to take this occasion to make Identity B witting and sign him to a secrecy agreement.
